

## CONTINUITY OF OUR SUPPLY

Höganäs: 2020-02-27

ScandStick have the following statement regarding the coronavirus – covid -19 and our continuity of our supply:

### Material supply

ScandStick is monitoring the situation carefully. At this time, there is no indication of an interruption to normal business operation or any problems in our ability to keep supplying our products on a continuous basis in the near future. Of course we do not know what will happen in the long term but we will monitor the developments regarding this issue on daily basis and we will keep you informed, the company is taking prudent steps and has implemented comprehensive preparedness plans at the company, geographic, site and functional levels to mitigate possible impacts to ScandStick. These plans address various scenarios in relation to customers, suppliers, businesses, employees, production operations and supply chain.
